PREMIER TENNIS TOUR - DOUBLES TOURNAMENT

The Doubles events are open to anyone, **there will be no restriction on UTR rating, age or gender.**

To make the draw, PTT will add the individual UTR of each team who entered the event. The top half of the teams **(adding the 2 UTR's from the team)** will make a single elimination draw, and the bottom half will make another single elimination draw.

For instance if there are 64 teams then we will make a single elimination draw with the top 32 UTR points teams and another draw with the bottom 32 teams.

There will be a back draw for the first round on each of the draws.
